Have in you the same attitude that is also in Christ Jesus.

(Philippians 2:5)

Time for a quiz! What will make Paul's joy "complete" (2:2)? What does humility produce in our relationships (2:3)? What does Paul think is a key feature of the Church? If you answered unity in Christ to all three, you're right. Paul uses the phrase "in Christ" more than 170 times. He uses it to talk about how we can know Jesus' love and mercy. He uses it to tell us that we are redeemed through faith in Christ. And he uses it to describe the way we can find unity in our families, our Church, and the world. Essentially, unity with each other grows as we grow in our union with Christ. The church in Philippi seems to have been suffering some kind of division. It's unclear whether the lack of unity was caused by people inside the church or by outside agitators. But it didn't really matter. Paul's answer would have been the same in either case: place unity with one another as your highest goal. (The Word Among Us)
