Theology of the Body for Teens

YOU! Life, Love & The Theology of the Body: Are you between the ages of 15 and 18? Are you ready for a challenge? We have an awesome programme lined up for you! We are excited to invite you into a nine week journey through the *life changing* teachings of Saint John Paul II known as the Theology of the Body. Come join us as we dive into the deepest questions you have about the meaning of life and love. Sunday evenings March & April. The Family Centre, St. Mel's Road, Longford. Booking & enquiries: tob4teens@gmail.com or phone 0873835219. Facilitated by young adult members of the Legion of Mary.

Trócaire's work

"How much longer will you set on a victim, all together, intent on murder, like a rampart already leaning over, a wall already damaged?" Psalms 62:3. Today we pray for the people of Eastern Ghouta in Syria. Hundreds of innocent civilians have been killed in the bombing of the past two weeks including many children. Trócaire's partners continue to work on the ground in horrendous conditions. We pray for those who can resolve this crisis to find the political will to do so. To find out more on Trócaire's work visit www.trocaire.org

Reasons to protect the Eighth Amendment The unborn child is one of us Advances in 4D ultrasound technology are a real window into the womb. By Day 21, baby's heart is beating. Facial features are starting to form from week four. At just six weeks, the baby's eyes and eyelids, nose, mouth and internal organs have developed in their basic form. From week eight the nervous system is beginning to respond. From week nine the baby can yawn and swallow and from week 12 the baby can suck its thumb. This is all happening before the mother's bump is showing.
