Easter Day of the Lord's Resurrection
The Deep End • For all eternity

'It was very early on the first day of the week and still dark...'
So begins today's Gospel reading, the Gospel we listen to every
Easter Sunday. This opening line sets the scene for the events of
that first Easter, when first Mary of Magdala, and then Simon
Peter and the other disciple, discover the empty tomb and come
to the realisation that Jesus has risen from the dead. It is only at
this moment that they understand what Jesus had been trying to
teach them. Their eyes are opened. They see and they believe.
And what about us, this Easter? What do we believe? Easter is
about more than simply recalling or commemorating the
resurrection of Jesus. By raising Jesus from the dead, God also
opened up for us the way to eternal life. This feast is the reason
for our faith and the reason for our hope. Our celebration today
raises us up and renews us in faith, hope and love.

Let us love one another and pray,

Let us love one another and be faithful,

Let us love one another and be humble,

Let us love one another and be filled with the charity of God.

Let us love one another with God, in God, and for God,

And we shall thus be one with God for all eternity.
