God Is Always Faithful. No matter how many times the Israelites were unfaithful, God always remained faithful. He never gave up on them! Even when it became clear that they could never keep the covenant on their own, he remained committed to them. He showed them that this first covenant with Israel pointed forward to a new covenant. Something new and wonderful was on the horizon, and it would be fulfilled in Jesus. But that's another story: a story of mercy, generosity, healing, justice, and, most important, God's faithful love. In our next article, we'll see just how far God's covenant love extends: to the point of sending us his only Son. (The Word Among Us)
