ONLINE SAFETY TIPS (From Diocesan Safeguarding Committee)

- Learn how apps work. Smartphone Apps have features that may prove a challenge to the safety of young people. Some apps even allow the user to hide other apps.
- Discuss with children the risks of sharing personal information, images or videos via social media and of accepting 'friends' requests from people they do not really know. Some people may not be who they say they are.
- All users of social media are advised to take measures to protect their identity using 2 step verification. Free online safety tips are available by registering on www.waynedenner.com.

MUSINGS - *from Pope Francis' recent Apostolic Exhortation on the call to holiness in today's world, Gaudete et Exsultate (Rejoice and be Glad).*

To be holy does not require being a bishop, a priest or a religious. We are frequently tempted to think that holiness is only for those who can withdraw from ordinary affairs to spend much time in prayer. That is not the case. We are all called to be holy by living our lives with love and by bearing witness in everything we do, wherever we find ourselves. Are you called to the consecrated life? Be holy by living out your commitment with joy. Are you married? Be holy by loving and caring for your husband or wife, as Christ does for the Church. Do you work for a living? Be holy by labouring with integrity and skill in the service of your brothers and sisters. Are you a parent or grandparent? Be holy by patiently teaching the little ones how to follow Jesus. Are you in a position of authority? Be holy by working for the common good and renouncing personal gain.
