### Eucharist Ministers & Servers

Over the coming weeks we hope to resume the roles of eucharist ministers and servers in both churches. We look forward to welcoming back all who serve in such an important way in the life of the parish community.

### Lifting of Restrictions for Public Worship

As we are all aware now restrictions have been lifted on public worship meaning no limit on those numbers allowed to attend Mass, however the use of masks & sanitising will continue for the foreseeable future. Reception of communion can return to its normal practice of members approaching the altar. Next week we hope to reintroduce Eucharist Ministers and the following week we will welcome servers. Thank you for your support over the last 18 months.
