Trócaire's special appeal on 6th and 7th November 2021 to support its work to alleviate the humanitarian crisis in East Africa

Across East Africa, families face a dire threat of famine. People and their livestock are dying of starvation, pushed back by cruel climate shocks and Covid. But it is not too late to help. Trócaire has called for special support for the people of East Africa, where up to 30 million people in Somalia, Ethiopia, Sudan, South Sudan, Kenya, Uganda and the Democratic Republic of the Congo are currently face life-threatening food shortages. Trócaire is currently addressing this and many other crises worldwide. Parishes throughout Ireland are requested to undertake a special Church collection on 6th and 7th November to invite the public to support Trócaire in its work to alleviate this humanitarian crisis in East Africa.

• Seeing Your Life Through the Lens of the Gospel •

1. Today's gospel brings us right to the heart of what a Christian life involves: love of God and of neighbour. Jesus tells us that having life both now and in the future is the fruit of living in a spirit of love. How have you experienced the power of love given, and received, as a source of life and vitality?

2. If you were asked what is most important in life, what would your answer be? Recall the experiences and relationships you have had. Which are the ones that you treasure most? What has particularly enriched your life? How would you encourage another person who asked you how s/he could live a full life?

3. Jesus praises the questioner as one who had answered wisely. Recall some of the wise people you have known, people who in their words and actions impressed you with their capacity to see and treasure what is important in life.
