**Rathowen and Streete Pastoral Council.**

*The Pastoral Councils of Streete and Rathowen meet during the week to discuss an number of issues that are of concerns to both parishes. the most important decision to be made was that from now on there will be one Pastoral Council for both areas. this new Council will be made up of 3 persons from each parish who will work together to implement a variety of new initiatives that will help the Church grow and develop in the coming years. This isa new departure one of many that will be needed as we move on. More information will be provided over the coming weeks. anyone interested in becoming a member can give their name to Fr pierre. I would like to take the opportunity to say a sincere word of thanks to the outgoing Pastoral Councils for their dedication and work over many years it has been very much appreciated by all.*

**Listening to God.**

*When it id God who is speaking...the proper way to behave is to imitate someone who has an irresistible curiosity and who listens at keyholes. You must listen to everything God has to say at the keyhole of your heart.*
