A LITTLE THEOLOGY—HYPOSTATIC UNION.

Hypostatic Union, a term used with references to the Incarnation of Jesus to express the revealed truth that in Christ one Person subsists in 2 natures, the Divine and the human. Hypostasis means literally "that which lies beneath as basis or foundation, put simply Jesus has two nature but is one person—the Hypostatic Union.

SANITY ADVISE—WORLDLY DETACHMENT

If you can discern wisely, don't exchange... what abides for what doesn't abide, what never ceases for what ceases; nor truth for lies, nor body for shadow, nor watching for slumber, nor what is in season for what is out of season; nor the time for the times. (Ephraem the Syrian)

CATHOLIC HUMOUR.

God was walking one evening in the garden of Eden when he spotted Adam looking rather down and lonely, he approached Adam intending to cheer him up. Adam; He said I'm going to make you a mate to keep you company, she will be smart, pretty, fun, she will love you unconditionally, obey your every command, laugh at your jokes, cook your favourite meal, never argue or complain. She will be perfect in every way and all it will cost you is an arm and a leg. Adam thought for a second and then answered God; "what can I get for one rib?"
