Over the past while many homes in this part of Westmeath and Longford have hosted the pilgrim statute of the Virgin Mary, the host family keeps the image for 3 days in their home during which time they recite a number of prayers. After the 3 days the statue is returned to the church from which it was collected and the next family then comes to take the statue. If you are interested please leave your name on the sheet in both churches. the first family will start next Friday

**SAINTLY WISDOM TO LIVE BY**

" If the Church was a body composed of different members, it couldn't lack the noblest of all; it must have a heart, and a heart burning with love. And I realised that this love was the true motive force that enabled the other members of the Church to act, if it ceased to function, the Apostles would forget to preach the Gospel, the Martyrs refuse to shed their blood."  
( St Therese of Lisieux)

**CATHOLIC HUMOUR.**

After Mass one Sunday, a young boy suddenly announced to his mother, " mam I have decided to become a priest when I grow up. That's wonderful she said but what made you decide to become a Priest? Well said the little boy, I have to go to Mass on a Sunday anyway, and I figure it would be more fun to stand up and yell, than sit down and listen.
