SAINTLY ADVICE -SIN

Sins, however great and detestable they may be, are looked upon as trivial, or not sin at all, when men get accustomed to them; and so far does this go that such sins are not only not concealed, but are boasted of...in our times many sin's are so openly practiced that we dare not excommunicate a lay person or defrock a priest for committing them. (St Augustine of Hippo)

A LITTLE BIT OF THEOLOGY. (HERERIES)

From the very beginning of the Church heresies have arisen, men and women who preach dogmas and reflection that go contrary to teaching of the Church, to this day heresies continue to appear and need to be corrected and challenged. 3 of the most persistent of these heresies are A. Arianism: A teaching that says Jesus was created by God and therefore not Coequal with Him. B. Sabellianism, the teaching that the Father, Son and Holy Spirit are 3 characterizations of one God, rather than three distinct 'persons in one God'. C. Docetism , the belief that wasn't human but only appeared so. The Church teaches Jesus is truly God and truly man.

CATHOLIC HUMOR.

Little Johnny was asked by his mother what he learnt at Mass. " Well mam the priest told us how God sent behind enemy lines on a rescue mission to free the jews, when he got to the Red sea he had his engineers build a bridge for the people to walk on. He then used his mobile phone to contact HQ for more reinforcements and they sent bombers to blow up the bridge and save the Jews. "Is that really what the priest taught you"? asked the mother. Well no mam, but if I told you the way the priests did, you'd never believe it and give out to me for lying to you.
