**A LITTLE SAINTLY ADVICE ON SUNDAY.**

*Simplicity: " God in his nature is most simple and cannot admit of any duplicity. If we then would be conformed to him , we should try to become by virtue what he is by nature.. We should be simple in our affections, intentions, actions and words. Being on the outside what we are on the inside. ( St Vincent De Paul)*

**A LITTLE THEOLOGY— FAITH**

Faith is a personal and communal relationship. Faith is first of all a personal adherence... to God. At the same time it is a free assent to the whole truth that God has revealed. Faith is a Grace, Gift that brings us into a loving relationship with the Father, Son and Holy Spirit, this Grace enables us to hear the word of god and helps us keep that word in our hearts.
