THE SAINTS ON " DIVINE MERCY".

" If someone at the devil's prompting, had committed every sin against God and then, with true contrition and the intention of amendment, truly repented these sins and humbly, with burning love, asked God for mercy, there is no doubt that the kind and merciful God Himself would immediately, be as ready to receive that person back into His grace with great joy and happiness as would be a loving father who saw returning to him his only, dearly beloved child, now freed from a great scandal and a most shameful death."
(St Bridget of Sweden)

CATHOLIC HUMOUR.

A flat-earther died and to his surprise found himself at the pearly gates. God met him and said he would answer any question he might have on any subject. So of course the man said " was I right?? Is the earth actually flat?" "Of course not" came the reply. The man shook his head in total disbelief, shaken to his very core, before murmuring "this goes even higher than i taught"!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!.
