### SAINTLY ADVICE (SIN)

"There are 2 sides to sin: the turning of the will towards fleeting satisfaction and the turning away from everlasting value. As regards the first, the principle of all sin can be called lust-lust in its most general sense, the unbridled desire for one's own pleasure. As regards the second, the principle is pride-pride in its general sense, the lack of our submission to God". (St Thomas Aquinas)
