### FEAST OF CORPUS CHRISTI:

Today's feast has its origins as far back as 1264, Pope Urban at the behest of St Thomas Aquinas the great mind of the church at the time as is still to this day a leading light in theology, they wished to create a feast whose focus was solely on the Holy eucharist. In canon law it is one of the 5 days in which a bishop can not be absent from his diocese without grave reason. The feast is celebrated on the Thursday after Trinity Sunday or on the following Sunday as we do here in Ireland for the past 40 years or so.

### FIRST HOLY COMMUNION DAY,

Today marks the conclusion of months of preparation by 13 young members of the church. They have been praying, studying and practising for this day when for the first time they will receive the Blessed Sacrament. We ask the church to keep these boys and girls in your prayers today and in the coming days and weeks, we thank all those involved in the preparation at home in the parish and in school thank you for your support.

### NOVENA TO THE SACRED HEART.

The annual novena to the Sacred Heart runs from the 30th of May to the 7th of June (the feast of the Sacred Heart). Copies of the 9 day novena are available in both churches.

### CATHOLIC HUMOUR.

### WHAT THE SAINTS SAY ( THE BODY OF CHRIST)

Christ has no body on earth now but yours, no hands but yours no feet but yours. Your are the eyes through which He look with compassion on the world, yours are the feet with which He is to go about doing good, and yours are the hands with which He is to bless the world with love" ( From the works of saint Teresa of Avila)
