SAINTLY ADVICE: GOSSIP

"We act like ravens and carrying crows who never bother with any living flesh - but whenever we find a dead dog in a ditch, that's where we fly to stuff ourselves. In the same way, when we see a good man, and hear and see a good thing, then we take little heed. But when once we see an evil deed, then we stop and stare; and all day long we gossip and feed ourselves with the filthy delight of evil conversation." (St. Thomas Moore)

ST. VALENTINE'S DAY

As we all know 14th February is St. Valentine's Day but how much do we know about St. Valentine? St. Valentine secretly married and ministered to couples in discrete locations so the Roman soldiers would not find out. He put his life on the line to help unite men and women in marriage and keep them away from sinful lifestyles. He did this for years, all hidden from the eye of Emperor Claudius. His remains are kept in Chaldeen Street Church, Dublin.
